

We commissioned incredible artists from all over the Discord community to build one-of-a-kind video backgrounds - and now we're sharing them with you! This is our gift to you, the community, for joining us for Snowsgiving.

**We wanted to showcase our featured artist: Katherine Liu**

Katherine Liu is an illustrator and designer creating cheerful artwork and cute software projects. She loves to spread happy vibes through her work, whether she's creating a new illustration, designing enamel pins, or building virtual pet assistants for people's websites.

You can see more of her work at <https://katherineliu.me>
