

We commissioned incredible artists from all over the Discord community to build one-of-a-kind video backgrounds - and now we're sharing them with you! This is our gift to you, the community, for joining us for Snowsgiving.

We wanted to showcase our featured artist: Omorphia

Omorphia is a 2D background art illustration specialist who wanted to reimagine the nostalgic emotion of their childhood memories and their admiration towards Japanese art and culture.

You can learn about their work : <https://twitter.com/Omorphia1>
