

We commissioned incredible artists from all over the Discord community to build one-of-a-kind video backgrounds - and now we're sharing them with you! This is our gift to you, the community, for joining us for Snowsgiving.

We wanted to showcase our featured artist: Vyragami

Vyragami is an Illustrator and background artist. Not only do they do commissions, they also create fan art of what they are currently interested in.

Check out their commission and fan art work: <http://pixiv.me/vyragami>
You can find more of their work on their social <https://twitter.com/vyragami>
